

GreenState Credit Union

Employee Perks

For All Staff

GreenState Credit Union has long understood that much of its success lies in the quality work and broad talents of its employees. As part of our on-going commitment to our employees, our most valuable resource, we strive to provide discounts and perks for staff to enjoy.

GreenState Credit Union Casual Wear - GreenState Credit Union pays for 50% of all branded casual wear items that staff order.

Service Awards - In five-year increments, staff are recognized for their service to GreenState Credit Union and are given an opportunity to shop for a Service Award from our vendor partner in recognition of loyalty, commitment, and hard work! Watch for a congratulations email from your HR team at anniversary time to begin the gift selection process!

Lunch on Us! – Several times throughout the year, onsite GreenState Credit Union staff get to enjoy lunch on the Credit Union's dime!

Beer and Beverage Cart – Occasionally, as a downshifting opportunity, staff are treated to a cold beverage of their choice at the end of the workday.

Volunteering Opportunities – Giving back is a big part of our GreenState culture! To that end, with approval from supervisors, staff have the opportunity to volunteer at Credit Union functions during the workday in exchange for standard hourly pay.

Distinguished Celebration – Once a year, in recognition of those who received a distinguished performance review, staff are honored with a distinguished award and dinner celebration.

NXG Theft Protection – GreenState has partnered with NXG Strategies to provide all staff with fully managed identify theft research, remediation, and recovery. If you suspect theft for any reason, a professional Privacy Advocate will manage your recovery process to help restore your name and credit to pre-event status. They will handle the phone calls, paperwork, and follow-up for you through a Limited Power of Attorney authorization. This service covers all types of identity theft, even if it is not related to your account.
