

## Generations of Experience and Superior Quality Service combine to form GreenState Trust Services.

GreenState Trust Services works with Members Trust Company to help members protect their hard-earned assets, achieve their financial aspirations and ensure their financial legacy thrives.

Founded in 1987 by America's Credit Unions for credit unions, their members and the general public, Members Trust Company is the first national trust and investment firm providing financial stewardship, investment and trust services with "Main Street" member-centric value and values... even for non-credit union accounts. This means we pick up the phone when you call, we treat you and your family as if they were our own, and that doing the right thing is more than our thing, it's our mandate.

With our Main Street Values comes Wall Street expertise...without the ego or exorbitant fees. Our team of investment professionals hold the highest Chartered Financial Analyst® designation and have been continually recognized in the industry as innovators and subject matter experts in trust and investment solutions, big and small.
