External Account Transfer - Posting Time

Within Online Banking, you have the option of participating in the External Account Transfer Service which allows you to transfer funds between your linked accounts at GreenState Credit Union and certain accounts owned by you or someone else at other financial institutions using an account number and financial institution identifier. An inbound transfer moves funds into an account you own at GreenState Credit Union from an account you own outside GreenState Credit Union. An outbound transfer moves funds from an account you own at GreenState Credit Union to an account outside GreenState Credit Union that is owned by you or someone else. Transfers involving external accounts may take 2-3 business days to process.

You agree that in order to facilitate these External Account Transfers the GreenState Credit Union must initiate withdrawals and deposit transactions on an account you own at GreenState Credit Union and on an account, you own outside GreenState Credit Union, including initial Micro Deposits and corresponding Debits resulting in a net zero-dollar amount in order verify your account ownership.

Internal Account Transfers - Posting Time

Within Online Banking, you have the option of participating in the Internal Account Transfer Service which allows you to transfer funds between your accounts within GreenState Credit Union. Transfers between two GreenState Credit Union share accounts will be effective dated the same day in which they are initiated.

Transfers made between a GreenState Credit Union share:

- And a Commercial Loan which is received before 7:00 p.m. CT on business days will be effective dated the same day in which they are initiated
- And a Commercial Loan which is received after 7:00 p.m. CT on business days will be effective dated the next business day
- And a Commercial Loan which is received on a non-business day will be effective dated the next business day
- And all other loans will be effective dated the same day in which they are initiated.

Transfer fees, miscellaneous fees, and Expedited Charges may be applied to outbound transfers per GreenState Credit Union Terms & Conditions and Fee Schedule. You may also incur fees at your other financial institution that are not the responsibility of or charged by GreenState Credit Union.

Online Banking Access for Joint Account Holders or Authorized Users

As the primary user, you are considered the administrator who is responsible for managing your Online Banking profile. As administrator you will be granted access to all of the enrolled online banking accounts and services. You, the administrator, at his or her sole discretion, can create and authorize other individuals to act as a user of the primary user's Online Banking by adding authorized users from within the administrator's online banking profile. The administrator can add, delete or change the access authorities for a user including the accounts and services they

are allowed to access and the dollar amount of the transactions they are allowed to process. Designating an authorized user provides access to Online Banking only and does not change ownership or provide authorization to these users to transact on your behalf in any other manner (i.e. at a branch location). By granting an individual access to your accounts as an authorized user with a user ID and password you expressly agree to take responsibility for all activity initiated by those individuals, including the ability of an authorized user to create additional authorized users. When visiting our Web site to read or download information, we do not collect information about you, but we do collect and store information about your Internet connection and the date and time of your visit. Online Banking Terms and Conditions For Personal Accounts

In

accordance with the terms of this Agreement, we will accept instructions from any person using your Log in ID and Security Code (referred to as "password") to conduct Online Banking transactions.

You will be given the ability to select a Password that will give you access to Online Banking. You alone will have the ability to change your Password and we recommend that you change your Password regularly. GreenState Credit Union is entitled to act on instructions received under your Password and you agree that the use of your Password will have the same effect as your signature authorizing any transaction. For security purposes, we recommend that you memorize your Password and do not write it down. You are responsible for keeping your Password, account numbers, and other account data confidential. Where you have authorized any other person to use your Password in any manner, your authorization shall be unlimited in amount and manner.

Your Liability for Unauthorized Transfers/Transactions

It is imperative that you tell us AT ONCE if you believe your Password has been lost or stolen. Telephoning is the best way of limiting your possible losses. You could lose all the money in the accounts to which you have access through Online Banking, plus your maximum overdraft line of credit or the balance in any other account connected to your account for overdraft protection. If you tell us within two business days that someone has used your Password without your permission, you can lose no more than \$50.00.

If you do NOT tell us within two business days after you learn of the loss or theft of your Password and we can prove we could have stopped someone from accessing your account(s) without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows electronic transfers or transactions that you did not make, tell us at once. If you do not tell us within 60 calendar days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. Your role is extremely important in the prevention of any wrongful use of your account. You must promptly examine your statement upon receipt.

GreenState is not responsible for and will not investigate or refund money for transactions that you authorize and initiate, even if you were fraudulently induced to make the payment or made the payment by mistake.

In case of errors or questions about your electronic transfers

Contact GreenState Credit Union if you think that your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and Account number (if any).
- Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 Business Days. We will determine whether an error occurred within 10 Business Days (5 Business Days for MasterCard Debit point-of-sale transactions processed by MasterCard and 20 Business Days if the transaction involved a new Account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transaction involved a new Account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your Account within 10 Business Days (5 Business Days for MasterCard Debit point-of-sale transactions processed by MasterCard and 20 Business Days if the transfer involved a new Account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 Business Days, we may not credit your Account. Your Account is considered a new Account for the first 30 days after the first deposit is made, unless each of you already has an established Account with us before this Account is opened. We will tell you the results within 3 Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. Copies of the documents are available.

Documentation of Transfers/Transactions

We will send you or electronically store periodic statements in accordance with the applicable account agreements.

Our Responsibility to Consumers

If we do not complete a transfer or transaction according to the terms and conditions of this agreement, we will complete the transfer or transaction, without charging you any additional fee unless:

- If, through no fault of ours, you do not have enough money in your account to make the transfer or complete the transaction;
- If the transfer or transaction will go over the credit limit on your overdraft line, if you have one;
- If the transfer or transaction will exceed the transaction limitations on your checking, statement savings or money market account;
- If our systems were not working properly and you knew about the breakdown when you started the transfer or transaction;
- If circumstances beyond our control (such as interruption in services provided to us by a third party, or, telephone service, telecommunications facilities, fire or flood) prevent the transfer or transaction, despite reasonable precautions that we have taken;
- If the transfer or transaction cannot be made because of legal restrictions affecting your account;
- If you have not provided us with complete and correct payment information, including but not limited to name, address, account number and payment amount for a merchant/payee;
- If you have not properly followed the instructions for operating Online Banking (including the scheduling of payments or transfers); and,
- if your operating system was not functioning properly.

In addition, you agree that we will not be responsible for delays caused by mail service or the negligence or willful misconduct of yourself or others. Our sole responsibility for an error in a transfer or transaction will be to correct the error, but in no case shall we be liable for any indirect, special or consequential, economic or other damages, including interest or late payment charges assessed by a merchant or a termination of service caused by a delay in a merchant's receiving the transfer or transaction.

GreenState Credit Union Online Bill Pay

The Bill Pay service permits you to use your Internet-enabled device to direct payments from your selected online Bill Pay Account to third parties you wish to pay. We have contracted with our Bill Pay Agent to perform these payments for you. Any questions regarding payments, payees, or difficulties using Bill Pay should be directed to our Bill Pay support at (866) 841-1316. Your Bill Pay Account must be a GreenState Credit Union checking account. Through the Bill Pay service, you can pay bills from your Bill Pay Account to businesses or individuals.

All payments you make will be deducted from the account that you designate as your Bill Pay Account for the Bill Pay service. Any payments you wish to make through this service must be payable in U.S. dollars to a payee located in the continental United States. Any one Bill Pay item cannot be for an amount greater than \$100,000. Daily limits may not exceed \$100,000. We reserve the right to restrict types of payees to whom payments may be made using the Bill Pay service from time to time. You should not use the Bill Pay service to make payments to settle securities purchases, tax payments, or court ordered payments. Payments for these payees will be your sole responsibility if delayed or improperly processed or credited.

Funds must be available in your Bill Pay Account on the scheduled payment date. If the date you schedule a payment to be initiated falls on a non-business day (Saturday, Sunday, or federal holiday), funds must be available in your Bill Pay Account the following business day (e.g., Monday). After funds are withdrawn from your Bill Pay Account to make a payment, we may make the payment either by transferring funds electronically to the payee or by mailing the payee a check.

You may choose to schedule payments to recur in the same amount at regular weekly, bi-weekly or monthly intervals (a "recurring payment"). If a recurring payment is chosen, the bill will be paid automatically each billing period provided sufficient funds are available. If the payment is not a recurring payment, it will be a "one-time" payment. One-time payments do not recur and are not made until you enter the payee and amount of the current bill and submit the payment. You may change payments that are recurring payments; however, you must allow at least three (3) business days after we receive any change to information you have given us about a payee to reflect the change in our records.

When you create a new payee in the Bill Pay service, it has a temporary status until we have had sufficient time to set up the account, and for your business payees, verify information about your account. You should schedule a payment to a new payee at least seven (7) business days before any payment due date, to allow us time to set up the payee and verify information about your account with the payee. For all subsequent payments, you agree to allow up to five (5) business days between the date you schedule a payment to be initiated and the payment due date (that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). If you do not, you will be fully responsible for all late fees, finance charges or other action taken by the payee. If you schedule your payment and follow all instructions provided, but the payment is not received by the payee in a timely manner, a representative from our Bill Pay Agent will work with the payee on your behalf to attempt to have any late fees or charges reversed.

If you are assessed a fee due to a late or missed payment and you believe the fee assessment is an error, you must contact Bill Pay support at (866) 841-1316.

Once Bill Pay support has been contacted, they will determine if you followed the proper Bill Pay procedures and will credit your checking account for the full amount of late charges assessed by the payee **AND** send a written statement to the payee explaining that you are not at fault for the late or missed payment.

If it is determined that you did not follow the proper Bill Pay procedures, you will be responsible for any fees assessed by the payee.

GreenState Credit Union is only responsible for exercising ordinary care in processing and sending payments upon your authorization in accordance with this Agreement. GreenState Credit Union will not be liable in any way for damages you incur if you do not have sufficient available funds in your Bill Pay Account to make the payment on the processing date, for delays in mail delivery, for changes to the payee's address or account number unless you have advised us of the change sufficiently in advance, for the failure of any payee to correctly account for or credit the payment in a timely manner, or for any other circumstances beyond the control of GreenState Credit Union.

If the session during which you schedule a payment ends by 9:00 p.m. (CT) on a business day, GreenState Credit Union will be considered to have received it on that day. Otherwise, it will be considered received on the following business day. For all entries made using the service, the time recorded by the Online Banking service controls will be considered to be the official time of the entry.

You will be liable to the Bill Pay Agent and to GreenState Credit Union for the full amount of any bill payments made on your behalf. No further bill payments will be allowed until this indebtedness to either GreenState Credit Union or the Bill Pay Agent is paid. You will also be responsible for any insufficient/uncollected fund charges.

Expedited Payments

Expedited Bill Pay allows you (the "User") to make an expedited payment to a payee. Depending on the recipient, payments may either be a same day electronic payment, or a check sent overnight to the payee. If the payment cannot be expedited (cannot arrive to the payee more quickly than a standard payment would) it will not be displayed, and the service will not be offered on that payment. The Expedited Payment Service is a transaction-based service. Fee amount differs depending on type of method used to initiate the Expedited Payment. Please refer to the GreenState Credit Union Fee Schedule, found under Terms and Conditions at www.GreenStateCU.org. There are no monthly or recurring fees associated with the service.

If the payment is received later than the delivery date specified at the time the payment was scheduled, the user is eligible for a refund of the convenience fee. However, late fees charged by the payee are not the responsibility of **GreenState Credit Union** and will not be refunded. All other conditions applicable to the **GreenState Credit Union** Pay Anyone Bill Pay Service apply to Expedited Bill Pay transactions except for those situations where the Expedited Bill Pay terms and conditions are in conflict. In those situations, the **GreenState Credit Union** Expedited

Bill Pay terms and conditions take precedence.

Limitations of expedited payment:

- Expedited Electronic Payments are available for a limited number of payees. Availability of Expedited Payment options will be limited based on biller capabilities, time of day, payment delivery mechanisms and other factors.
- Expedited Payments will be unavailable for delivery to PO Box addresses or locations in AK, HI, or any foreign or U.S. territory outside of the contiguous 48 states and District of Columbia.
- The User is solely responsible for entering and verifying any address for overnight check payments to ensure it is correct and is specified as a valid overnight package address by the biller.
- Due to the inherent need to expedite the payment, payment instructions will be processed and completed immediately upon submission of a request from a User. The User will not have the ability to edit or cancel the payment instruction after he has confirmed the payment request.

Reminder: Each Bill Pay transaction transmitted from a money market Account or other limited transaction Account will count toward such Account's transaction limitation during the statement period. In any event, we may not permit bill payments to be made from limited transaction Accounts.

B. For security reasons, we may from time to time impose other limits or restrictions on the number and dollar amount or types of transfers or transactions that you can make using Online Banking. Also, there may be additional limitations described throughout this Section, and your ability to initiate transactions may be limited by the terms of other agreements you have with us or as described in other disclosures we have made to you, or by law. You agree to abide by and be bound by applicable limitations.

To access Online Banking, you must have at least one Account at the GreenState Credit Union, access to Internet service, and an email address. Once we have received your signed Enrollment Form, and verified your Account information, we will send you, either by email or by postal mail, confirmation of our acceptance of your enrollment. We will call you with your assigned user name and temporary Password. Online Banking can be used to access only the Accounts which you have designated for access through Online Banking in your Enrollment Form. Access to your Accounts through Online Banking will be based upon the identification of users and authority levels specified by you in your Enrollment Form. **YOU ARE RESPONSIBLE FOR MAINTAINING ALL INTERNET CONNECTIONS, BROWSERS, HARDWARE AND SOFTWARE THAT ARE NECESSARY TO ACCESS THE SERVICES DESCRIBED IN THIS SECTION. THE COMPUTER AND THE RELATED EQUIPMENT YOU USE TO ACCESS THE SERVICES ARE REFERRED TO COLLECTIVELY AS THE "COMPUTER." WE UNDERTAKE NO OBLIGATION TO MONITOR TRANSACTIONS THROUGH ONLINE BANKING TO DETERMINE THAT THEY ARE MADE ON BEHALF OF THE MEMBER.**

Online Banking Services

You can access Online Banking to check the balance of your Accounts, view Account histories, transfer funds between your Accounts, make stop payment requests, and view statements. If you have requested Bill Pay services on your Enrollment Form, you may pay bills from your Accounts in the amounts and on the dates you request.

Security

YOU ACKNOWLEDGE THE IMPORTANCE OF YOUR ROLE IN PREVENTING MISUSE OF YOUR ACCOUNTS THROUGH ONLINE BANKING. YOU AGREE TO PROMPTLY EXAMINE YOUR PERIODIC STATEMENT FOR EACH OF YOUR ACCOUNTS AS SOON AS YOU RECEIVE IT. YOU AGREE TO PROTECT THE CONFIDENTIALITY OF YOUR ACCOUNT, ACCOUNT NUMBER, AND YOUR PERSONAL IDENTIFICATION INFORMATION, SUCH AS YOUR DRIVER'S LICENSE NUMBER AND SOCIAL SECURITY NUMBER. YOU ACKNOWLEDGE THAT PERSONAL IDENTIFICATION INFORMATION BY ITSELF, OR TOGETHER WITH INFORMATION RELATED TO YOUR ACCOUNT, MAY ALLOW UNAUTHORIZED ACCESS TO YOUR ACCOUNT. YOUR PASSWORD AND LOGIN ID ARE INTENDED TO PROVIDE SECURITY AGAINST UNAUTHORIZED ENTRY AND ACCESS TO YOUR ACCOUNTS. IN AN EFFORT TO PROVIDE TRANSMISSION SECURITY, DATA TRANSFERRED VIA ONLINE BANKING IS ENCRYPTED AND ONLINE BANKING UTILIZES IDENTIFICATION TECHNOLOGY TO VERIFY THAT THE SENDER AND RECEIVER OF ONLINE BANKING TRANSMISSIONS CAN BE APPROPRIATELY IDENTIFIED BY EACH OTHER. NOTWITHSTANDING OUR EFFORTS TO ENSURE THAT ONLINE BANKING IS SECURE, YOU ACKNOWLEDGE THAT THE INTERNET IS INHERENTLY INSECURE AND THAT ALL DATA TRANSFERS, INCLUDING ELECTRONIC MAIL, OCCUR OPENLY ON THE INTERNET AND POTENTIALLY CAN BE MONITORED AND READ BY OTHERS. WE CANNOT AND DO NOT WARRANT THAT ALL DATA TRANSFERS UTILIZING ONLINE BANKING, OR E-MAIL TRANSMITTED TO AND FROM US, WILL NOT BE MONITORED OR READ BY OTHERS. IF YOU ARE SENDING US ACCOUNT INFORMATION OR REFER TO YOUR ACCOUNT, ALWAYS USE ONLY THE LAST FOUR DIGITS OF YOUR ACCOUNT NUMBER.

A. Authorization. You agree that the methods and procedures for the authorization and authentication of Online Banking transactions described in and contemplated by this Section constitute commercially reasonable security procedures under applicable law. Subject to the requirements of applicable law and other express terms and provisions of this Section, you are responsible for all Online Banking transactions initiated or made through Online Banking. Without limiting the scope of the preceding sentence, if you allow any other person to use your Password or Online Banking, you will have authorized that person to access your Accounts and you are responsible for all transactions that person initiates or authorizes in connection with your Accounts. You agree to notify us immediately if you believe that your Password has been lost or stolen or that any Account has been or may be accessed without your authorization. Telephoning is the best method for limiting your potential losses. You agree to take any reasonable actions requested by us to prevent unauthorized transactions to your Accounts.

B. Your Password. For security purposes, you are required to change your Password upon your initial login to Online Banking. You determine what Password you will use. The identity of your Password is not known to us. You agree that we are authorized to act on instructions received under your Password. You accept responsibility for the confidentiality and security of your Password and agree to change your Password regularly. Upon three unsuccessful attempts to use your Password, your access to Online Banking will be revoked. To re-establish your authorization to access Online Banking, you must contact us to have your Password reset or to obtain a new temporary Password.

If the confidentiality of your user name or Password is, or you believe may be, compromised, you agree to notify us immediately. In the event your user name or Password is compromised you may be required to establish a new one. You must take every precaution to ensure the safety, security and integrity of your Accounts and transactions with the Services. Your user name and Password allow access to your Accounts and the Services provided for herein; providing these to another person shall constitute a grant of authority to access your Accounts for all purposes, including, without limitation, access under the Electronic Fund Transfer Act and Regulation E, as applicable. Such authorization shall continue until you have notified us that such person is not authorized to act with regard to your Accounts and the Services.

We recommend that you create a Password that utilizes numeric and alphanumeric characters for purposes of security. Your Password should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth, names of children, and should be memorized rather than written down.

C. Computer of mobile device specifications. In order to use Online Banking, your COMPUTER OR MOBILE DEVICE must meet current minimum technical specifications. Technical requirements and specifications regarding the use of Online Banking may be described elsewhere in this Section. We do not guarantee the compatibility of Online Banking with all modem types, computer systems, internet browsers, hardware and/or software.

D. Equipment. You are responsible for obtaining and properly installing and maintaining all telephone equipment and services, internet connection services, computer hardware and software, and any and all necessary upgrades thereto, and other equipment necessary for you to access and use Online Banking Services. We are not responsible for any computer viruses, problems or malfunctions resulting from any computer viruses, or related problems that may be associated with the use of an online system. We recommend that you routinely update your anti-virus software, apply all security patches for your operating system, and install a firewall on your COMPUTER OR MOBILE DEVICE. We are not responsible for any errors or failures resulting from defects in or malfunctions of any software on your COMPUTER OR MOBILE DEVICE.

E. Transaction Authorization; Protecting Your Password. You authorize us to follow any instructions entered through Online Banking using your Password - notwithstanding any dual or multiple signature requirement identified on the signature card or other documents relating to your Accounts. You authorize us to initiate any reversing entry or reversing file, and to debit your Accounts maintained at the GreenState Credit Union, or elsewhere, in order to correct any mistaken credit entry. Your obligation to pay the amount of the transaction or transfer is not excused in such circumstances. You agree and intend that the authorization of transactions through Online Banking shall be considered the same as your written signature in authorizing us to perform any action relating to the transactions requested. You also agree that use of your Password is the agreed security procedure to access Online Banking and that such security procedure is commercially reasonable.

You agree to keep your Password confidential, to prevent unauthorized access to your Accounts, and to prevent unauthorized use of Online Banking. You agree not to give your Password or make it available to any person or entity who is not authorized to access your Accounts for the purpose of performing the transactions contemplated by Online Banking or who intends or may use Online Banking for the purpose of accessing and compiling Account data for such person's or entity's own commercial gain. You should change your Password frequently. You should avoid using your ATM, debit card, or credit card personal identification number (PIN) as your permanent Password.

If your access to Online Banking is blocked or if you forget your Password, you may contact us at 1-800-397-3790 or you may also reset your password in the designated section on our website. We may issue you a new Password, although it may not be available for use of Online Banking for several days.

F. Protecting Your Personal Information. In addition to protecting your Password and other Account information, you should also take precautions to protect your personal identification information, such as your driver's license, Social Security Number, etc. This information by itself or together with other Account information may allow unauthorized access to your Accounts. It is your responsibility to treat personal information with the same level of care as your Account information. You are also responsible for protecting and securing all information and data stored in your COMPUTER OR MOBILE DEVICE's hard drive.

G. Your Email Address. You agree to keep your e-mail address that you have provided to us for use in connection with Online Banking, as well as your mailing address, current and updated with us at all times. To notify us of an e-mail or mailing address change, please call us at 1-800-397-3790 during our normal business hours. You also may update your e-mail address in the Online Banking section of our website. Except to the extent otherwise required by applicable law or regulation, you agree that we are under no obligation to re-send, re-transmit, or otherwise deliver to you any Online Banking notifications or information that we have transmitted to your e-mail address and that has been returned "undeliverable" or otherwise rejected for delivery.

Electronic Messaging and E-mail. Conventional e-mail is not a secure method of communication over the Internet, and we recommend that you not send confidential or privileged information, such as Account numbers and financial information, to us by conventional e-mail. The Message function in Online Banking is a secure method of communication which allows messages to be sent and received within the Online Banking application. An electronic message sent by you will not be immediately received by us. No action will be made on any electronic message you send to us until we actually receive your message and have a reasonable opportunity to act on it. You cannot use conventional e-mail or Message Center to make a bill payment, Account inquiry, or Electronic Funds Transfer. There may be other limitations to your use of electronic messaging from time to time in effect. To the extent you elect to communicate with us using e-mail, the following provisions apply to those communications:

- You agree and acknowledge that the information communicated via e-mail to or from us may include information regarding any or all of the services we feel may be of added interest to you.
- You acknowledge that you have been advised and understand the risks of using e-mail with respect to the communication

of information regarding Online Banking and that we are unable to guarantee the authenticity, privacy or accuracy of information received or sent by e-mail or to monitor the authorization of persons using your e-mail address to send or receive information.

- You acknowledge that you will always refer to or use only the last four digits of your Account number in any e-mail or other non-secure method of communication with GreenState Credit Union.
- In the event you receive information from us via e-mail that you believe is intended for another recipient, you agree to immediately return the information to us and to thereafter delete the information from your computer system. You shall not use the information for any personal or commercial purposes.
- You agree that certain information communicated from us to you may be confidential in nature as a communication between you and us.
- You agree to maintain the confidentiality of the information and to refrain from sharing the information with any other person or entity or from using the information for any purpose that is not related to Online Banking or your financial relationship with us.
- In the event that you believe that an unauthorized person has gained access to your computer system, you agree to immediately notify us so that we can cease communication of information to you via e-mail until you and we take measures agreed to jointly to protect your financial information.
- Having acknowledged the risks associated with communicating financial information via e-mail, you (a) agree that we have no obligation to monitor or investigate the use of your computer system or the source of any communication received from you bearing your e-mail address, (b) release us from any claim or liability arising from or in connection with any communications sent or received using e-mail, and (c) agree to indemnify and hold us harmless from all claims, losses, expenses, or liability arising in any way out of or connected in any way with the use of e-mail as contemplated by this Section.
- To the extent any other agreement between you and us requires you to deliver written notice to a particular address regarding any matter, you agree that these provisions regarding the use of e-mail do not displace or modify any such requirement for a written notice, and you agree to comply with any requirement for a written notice without reference to these provisions regarding the use of e-mail.

Fees and Charges

You agree to pay the Service Fees and charges for your access of Online Banking Services as set forth in the then current Fee Schedule, which may be amended by us from time to time. You agree that all such fees and charges will be deducted from the checking Account designated as the Payment Account on your Enrollment Form. If you close your Payment Account, you must contact us immediately to designate another Account as your Payment Account. You agree to pay any additional reasonable charges for services you request, which are not covered by this Section. If you do not have sufficient funds in your Account(s) on the date a fee or charge is payable, you authorize the GreenState Credit Union to automatically deduct the payment from your Payment Account as soon as funds are available, or from other Accounts you maintain at the GreenState Credit Union accessible by Online Banking.

Overdrafts & Order of Payment

If your account has insufficient funds to perform all Electronic Fund Transfers you have requested for a given Business Day, then:

- Electronic fund transfers involving currency disbursements, like ATM withdrawals, will have priority;
- Electronic fund transfers initiated through Online Banking which would result in an overdraft of your Account may, at our discretion, be cancelled;
- In the event the electronic fund transfers initiated through Online Banking which would result in an overdraft of your Account are not cancelled, overdraft charges may be assessed pursuant to the terms of the deposit agreement for that Account.

Internet Bill Pay Banking

(See section "GreenState Credit Union Online Bill Pay" for information on Bill Pay)

Stop payment requests

You may initiate stop-payment requests online via Online Banking only for paper checks you have written (non-electronically) on your Accounts. Online stop-payment requests are processed at 9:00 a.m. on the Business Day following the date the stop payment has been requested online. To be effective, this type of stop-payment request must precisely identify the name of the payee, the check number, the amount, and the date of the check. If you make your stop-payment request online or by telephone, we may also require you to put your request in the form of paper writing and get it to us within fourteen (14) days after you call. You will incur stop-payment charges as disclosed in the current Fee Schedule for the applicable Account.

Disclosure of Account information and transfers

You understand that information about your Accounts or the transfers you make may be disclosed to others as explained in the separate Privacy Policy of the GreenState Credit Union. For example, tax laws require disclosure to the government of the amount of interest you earn, and some transactions, such as large currency and foreign transactions, must be reported to the government. We may also provide information about your Accounts to persons or companies we believe would use the information for reasonable purposes, such as when a prospective creditor seeks to verify information you may have given in a credit application or a merchant calls to verify a check you have written. In addition, we routinely inform credit bureaus when Accounts are closed because they were not handled properly. We may also seek information about

you from others, such as the credit bureau, in connection with the opening or maintaining of your Account or in connection with approving your access to Online Banking. You agree and hereby authorize all of these transfers of information.

Periodic Statements

You will not receive a separate Online Banking statement. Transfers to and from your Accounts using Online Banking will appear on the respective monthly periodic statements for your Accounts.

Specials provisions for non-members

The terms and provisions of this section apply to a non-member user of Online Banking
