ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Business Savings, Commercial Sweep Savings, Partners Money Market, Business Green Money Market,

Business Investor Money Market, Business Premier Checking Plus, Lawyer Trust Checking, Public Funds Mbr Savings, Public Funds Mbr Money Market, Public Funds Checking Plus and Public Funds Analysis Plus accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. Business Green Money Market, Business Investor Money Market, Commercial Sweep Savings, Public Funds

Mbr Money Market, and Public Funds Checking Plus accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Partners Money Market, Business Green Money Market, Business Investor Money Market, Commercial Sweep Savings, Public Funds Mbr Money Market, and Public Funds Checking Plus accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

- 2. NATURE OF DIVIDENDS Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.
- 3. DIVIDEND COMPOUNDING AND CREDITING The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.
- **4. ACCRUAL OF DIVIDENDS** For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends.
- 5. BALANCE INFORMATION To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Business Premier Checking and Business Premier Checking Plus accounts, there is a minimum average daily balance required to avoid a service fee for the dividend period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Fee Schedule. For Business Savings, Partners Money Market, Business Green Money Market, Business Investor Money Market, Business Premier Checking Plus, Commercial Sweep Savings, Lawyer Trust Checking, Real Estate Trust Checking, Public Funds Mbr Money Market, and Public Funds Checking Plus accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.
- **6. ACCOUNT LIMITATIONS** For Business Savings, Partners Money Market, Business Green Money Market, Business Investor Money Market, and Public Funds Mbr

Money Market accounts, you may make three (3) withdrawal(s) or transfer(s) from your account each month. If you exceed this limitation, you will be charged a fee as disclosed in the Fee Schedule.
